**THE WORSHIP GIVER:  
"YOU CAN'T BEAT GOD GIVING"**

*"Now therefore, if you will indeed obey my voice and keep my covenant, you shall be my treasured possession among all peoples, for all the earth is mine."*

*Exodus 19:5*

*"Offertory Prayer"*

*Loving Father, thank you for the privilege of partnering with you and each other in the work of the ministry. We know that you will bless our efforts and contributions for the proclamation of the gospel and the building up of your church. Father, be pleased with our tithes and offerings today. Affirm your love, grace, and provision for each giver in our midst. Thank you for their heart for the ministry. Let them continue to give with cheerfulness and full trust that you will never fail them in their time of need. In Jesus name. Amen.*

---

# SCRIPTURE LESSON

## JEREMIAH 17: 7-10

- 7 BUT BLESSED IS THE ONE WHO TRUSTS IN THE LORD, WHOSE CONFIDENCE IS IN HIM.**
- 8 THEY WILL BE LIKE A TREE PLANTED BY THE WATER THAT SENDS OUT ITS ROOTS BY THE STREAM. IT DOES NOT FEAR WHEN HEAT COMES; ITS LEAVES ARE ALWAYS GREEN. IT HAS NO WORRIES IN A YEAR OF DROUGHT AND NEVER FAILS TO BEAR FRUIT."**
- 9 THE HEART IS DECEITFUL ABOVE ALL THINGS AND BEYOND CURE. WHO CAN UNDERSTAND IT?**
- 10 "I THE LORD SEARCH THE HEART AND EXAMINE THE MIND, TO REWARD EACH PERSON ACCORDING TO THEIR CONDUCT, ACCORDING TO WHAT THEIR DEEDS DESERVE."**
- 

### ***The Romans Road***

Salvation to Jesus Christ brings us into a relationship of peace with God. When we accept God's gift, we have the reward of knowing we'll never be condemned for our sins." *So now there is no condemnation for those who belong to Christ Jesus" Romans 8:1.*

### ***Black History Month: Dr. Mae Jemison***

Mae Carol Jemison was born on October 17, 1956 in Decatur, Alabama. In addition to her love for dance, Jemison knew that she wanted to study science at a very young age. Jemison grew up watching the Apollo airings on TV, but she was often upset that there were no female astronauts. However, Jemison was inspired by African American actress Nichelle Nichols who played Lt. Uhura on the Star Trek television show. Jemison was determined to one day travel in space. In 1973, Jemison left Chicago to attend Stanford University in California.

As one of the only African American students in her class, Jemison experienced racial discrimination in school. She later served as president of the Black Student Union and choreographed a performing arts production called *Out of the Shadows* about the African American experience. Jemison graduated in 1977 with a Bachelor of Science degree in Chemical Engineering and a Bachelor of Arts degree in African and African-American studies. After working with the Peace Corps, Jemison opened a private practice as a doctor. However, once Sally Ride became the first American woman in space in 1983, Jemison decided to apply to the astronaut program at NASA. As a doctor, engineer, and NASA astronaut, Mae Jemison has always reached for the stars. In 1992, Jemison became the first African American woman to travel in space. She has also written several books and appeared on many television programs including an episode of Star Trek: The Next Generation. In addition to her many awards, Jemison has been inducted into the National Women's Hall of Fame and the International Space Hall of Fame.
