Pastor's Corner-

To God be the Glory! Happy New Year to all of the members and their families. I look forward to a great 2020 as we are challenged to progress the cause of Christ and the expansion of the Kingdom of God. There are some great things that God wants us to achieve this year. More evangelism, prayers, encouragement, lifting the name of Jesus, and equipping more saints to go out and do the work God has called us to do. More importantly, what God has for you to add to the body of Christ.

We are excited about what God is going to do through us this coming year. So, get yourself in the place to where God can access and use you for His purpose. This is done through Bible Study together, praying together, serving together, and loving on one another.

"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." Matthew 28: 19-20

A Day On Not A Day Off- January 20, 2020

Rise to Serve ~ Serve to Rise. Come serve, help, inspire and meet other people in your community. Join us on for our annual "A Day On Not A Day Off" on Monday, January 20, 2020, from 10am – 5pm- as we celebrate and honor the late Reverend Dr. Martin Luther King, Jr. with a day of service.

This annual, free event will be an enjoyable atmosphere as we unite to honor the Reverend Dr. Martin Luther King, Jr., by rising up and coming together to serve our community.

This program will include various service projects around the community, tables of resource information, presentations, youth art/poetry contest, mobile blood donation, clinics, free services, lunch and more! We will end the day with a march in unity and in memory of the late, great Reverend Dr. Martin Luther King, Jr.

Ephesians 2:14***

National Blood Donor Awareness Month

Many people believe that most blood is needed after major disasters. However, daily personal emergencies and ongoing medical needs of thousands of patients require a constant and ready blood supply. It's the blood already on hospital shelves that saves lives.

Every day in the U.S., patients in hospitals, surgical centers and emergency treatment facilities need approximately: 36,000 units of red blood cells, 7,000 units of platelets, and 10,000 units of plasma.

About 6.8 million volunteers give blood in the U.S., which is nearly 26 percent fewer donors than at the beginning of this decade. The result is nearly 4.2 million fewer donations each year. Together, we can reverse this trend and help more people realize their life-transforming potential.

We will be hosting a blood drive here at Community Baptist Church on Monday, January 20, 2020 as part of our "A Day On Not A Day Off". Vitalant will be here from 10am-2pm. To make an appointment, visit vitalant.org, click donate and use our sponsor code: **Community**. Give and you will be entered for a chance to win a dream trip to Hawaii, Cancun or Disneyland. **#blooddonation #blooddonor #donateblood**

"And there are three that bear witness in earth, the Spirit, and the water, and the blood: and these three agree in one." 1 John 5:8
